**Advanced Flex Application Development : Building Rich ...**

Adobe's Flex is one of today's hottest technologies for building web applications, and this unique book provides a practical guide to planning and building a professional Flex application from start to finish (the application is Rich Media X, a popular Adobe user group community/social networking site.)

**Advanced Flex Application Development: Building Rich Media ...**

Many Flex books cover the basics this book does something different, and goes far further. The authors, leading Flash platform developers at Almer/Blank, working with Adobe User Group communities, are the creators of the Rich Media Exchange (RMX), a social media network for Adobe developers.

**Advanced Flex Application Development : R. Blank ...**

Advanced Flex Application Development by R. Blank, 9781590598962, available at Book Depository with free delivery worldwide.

**Advanced Flex application development : building rich ...**

Many Flex books cover the basics this book does something different, and goes far further. The authors, leading Flash platform developers at Almer/Blank, working with Adobe User Group communities, are the creators of the Rich Media Exchange (RMX), a social media network for Adobe developers. In covering just how the RMX was built, this book

**Advanced Flex application development : building rich media X**

Get this from a library! Advanced Flex application development : building rich media X. [R Blank;] -- Many Flex books cover the basics--this book does something different, and goes far further. The authors, leading Flash platform developers at Almer/Blank, working with Adobe User Group communities.

**Advanced Flex Application Development: C Charlton ...**

What I think people are finding deceptive about this book is the "Flex Application Development", the Advanced label, and the idea that you will be able to layout a Flex application from start to finish (and you will, just most likely not the application you had in mind).
