Analytical Issues in Participatory Natural Resource ...  
Attempts to manage natural resources through  
collaboration rather than competition, by agreements  
rather than conflict, have become the touchstone for many  
Analytical Issues in Participatory Natural Resources |  
B ...

The received wisdom suggests that participatory natural  
resource management projects work because traditional  
knowledge of the resources and existing social structures  
can be utilised to develop more effective strategies for  
resource use. Participation is a flexible and adaptable  
concept, which can reflect local circumstances and  
priorities.

Extra info for Analytical Issues in Participatory Natural Resource Management. Example text. One should, however, not romanticise their environmental use: there was little, if any, actual management exercised over the closed canopy and secondary forests. The CADC is in itself an interesting manifestation of different time perspectives.
