Civil Society and Governance in 16 Developing Countries ...

focuses on civil society, is one of six that presents the findings for each of the other governance arenas. The Civil Society Arena Civil society has emerged in recent years as one of the key concepts in the study of comparative politics. Its rise to prominence marks a big shift in both academic and political discourse on development. civil society | Governance for Development

At the same time, something important has changed. There has been an increasing demand by civil society and citizens to have a greater say in public decision-making, and a desire among many governments to be more inclusive and responsive to citizens needs.

IMPROVING GOVERNMENT- CIVIL SOCIETY INTERACTIONS WITHIN OGP

2. the presence of joint civil society actors to pursue OGP related issues; and 3. the support of OGP guidelines to provide a solid framework for discussion between government and civil society. Together, these mechanisms foster transparency, help to empower civil society, and facilitate interaction with governments.
