[National Prevention Strategy MENTAL and EMOTIONAL WELL-BEING](#)

mental and emotional health. Implement programs to identify risks and early indicators of mental, emotional, and behavioral problems among youth and ensure that youth with such problems are referred to appropriate services. Ensure students have access to comprehensive health services, including mental health and counseling services.

[Definition: Emotional Well-Being - SelfGrowth.com](#)

Emotional well-being is not the absence of emotions, but it is your ability to understand the value of your emotions and use them to move your life forward in positive directions. Everyday emotional well-being also involves identifying, building upon, and operating from your strengths rather than focusing on fixing problems or weaknesses.
