Electric Range Cookers offer a complete cooking experience due to their size and versatility with many offering more than one oven and a separate grill as well as hobs. Electric Range Cookers are a main feature in a kitchen.

[Gas or Electric Range? - Consumer Reports](#)
(Electric coil-top and induction ranges have a much smaller slice of the market.) We compared results from the four most crucial tests we perform: high heat; low heat; baking; and broiling. And although performance varies from model to model, whether the range is gas or electric, our tests did show which type of fuel has the edge in each test.
