Top 10 Best Drawing Books For Absolute Beginners

This is one of the most recommended books for beginners and I'm happily apart of that bandwagon. Keys to Drawing teaches you how to draw what you see using measurements and proper marksmanship. I cannot think of too many other books that guide you along in the same way as this book. The author Bert Dodson first published Keys to Drawing well over two decades ago but it's still relevant to this day.

The 3 Best Books I Know For Teaching Yourself to Draw

Especially books that promise to teach us how to draw or paint better. In fact, we spend so much time buying books it's a wonder we have any time for drawing. I'll come clean. I have a special weakness for art instruction books. There's something about the possibility of learning new drawing and painting skills that has a special pull for me. I have more art instruction books than I care to think about, and certainly more than I need.
