[How to write a research paper and get it published if I'm ...](#)

First of all, remove the thought that you are a student who wish to do research. Sometimes students do wonders because of their unbiased approach at solving thing. This was the thing told to me by my mentors so feel free you can publish 0a paper even if you are a 3rd year student. As a 3rd year student, you can make use of your project time.
