Introduction to Public Health 9781284089233 Medicine

I took Introduction to Public Health where this book was a requirement. It is well written, and most importantly is a simple read with plenty of important information that is presented in a structured and interesting manner. This is a book anyone could pick up off the shelves in a library or a book store and read without looking into a dictionary. It is actual and timely reflecting important information about the current status of public health.
