This cross reference information is provided for general reference only. It is the user's responsibility to check the application catalog to determine that the correct part has been selected. It is the user's responsibility to check the application catalog to determine that the correct part has been selected.

2520 200 hr Service: Transmission Suction Screen and Filter

On my 2320, the original filter was a donaldson, and even with that number I was unable to cross reference it to any other mfgs filter OR even find it on the donaldson website. In my observations - these oem hydraulic filters are much heavier than a 'normal' oil filter.

JOHN-DEERE AM35176 - Oil filter cross reference

The Oil Filter Cross references are for general reference only. Check for correct application and spec/measurements. Any use of this cross reference is done at the installers risk. Check for correct application and spec/measurements.
