However, in an interview with Andrew O Hagan, Knausgaard has said that writing My Struggle has not helped him in conquering his fear of his father. Frenchculture.org website noted that, even though Knausgaard was called the "Norwegian Proust", the first volume sold very few copies in France, probably because the strong French tradition of autofiction makes the book look less original than it appears in the US.

Who Wrote It Beto O Rourke or Karl Ove Knausgaard

Karl Ove Knausgaard is a Norwegian dad who lives in London and Sweden. The two are primarily known for different reasons: The former for his much-watched (and ultimately unsuccessful) Senate run and former membership in a band, the latter for his very long books. Despite their differences, the two share a taste for writing zoomed-in portraits of the moment-to-moment realities of being alive regardless of how boring they might be.
