New Technologies and the Qualitative Arms Race -  
fas.org

new arms race, which has already started on the basis of  
new and emerging technologies. The time for doing so is  
now. For, otherwise, it will be too late. The third special  
session devoted to disarmament is the most suitable  
occasion for discussing this problem and for taking timely  
action for managing it. 20. The problems posed are far  
from simple.
