Political elites and decentralization reforms in the post

Existing explanations of why political elites agree to devolve powers to lower levels of government do not pay sufficient attention to the uncertain implications such reforms have on the distribution of critical resources.

Political Elites and Decentralization Reforms in the Post

Across the globe, more powers are being devolved to local and regional levels of government. This book provides an innovative analysis of such decentralisation in transition states in the Balkans. Using new and rich data, it shows how political elites use decentralisation strategically to ensure their access to state resources.
