It's no wonder that The Power of Now has sold over two million copies worldwide and has been translated into over 30 foreign languages. Much more than simple principles and platitudes, the book takes listeners on an inspiring spiritual journey to find their true and deepest self and reach the ultimate in personal growth and spirituality: the discovery of truth and light.

[Listen to Power of Now by Eckhart Tolle at Audiobooks.com](#)

The Power of Now is a guide to spiritual awakening from a man who is emerging as one of this generation's clearest, most inspiring teachers on the subject. Eckhart Tolle is not aligned with any particular religion but does what all the great masters have done: shows that the way, the truth, and the light already exist within each of us. There is no need to look elsewhere.
