[British Political Speech | Why Rhetoric?](#)

Because politics is like this, it is important that there be good rhetoricians, presenting different sorts of argument, and good rhetoric that drives debates onward, and also very importantly audiences that can participate in questioning and judgement, and that can, when they choose, take up the argument and take it where they want it to go.

The art of rhetoric is central to the practice of politics. It also plays an important role in civic and private life, where it is employed to persuade, negotiate and resolve disputes on a daily basis.

[Rhetoric in British Politics and Society - averdo](#)

While the proposed collection will have a broader focus than these texts, due to the inclusion of chapters on British society as well as politics, the proliferation of forthcoming books on speech and rhetoric in Britain is indicative of the good health of this emerging sub-field, to which our project will be a worthwhile addition.
