the sociopolitical liberation of oppressed people. The Christian tragic vision of the black experience offers the possibility of a new basis for theology in an African American key (6). Since he understands himself primarily as a Christian theologian, however, Johnson addresses an audience consisting of more than fellow black theologians. [The Tragic Vision of African American Religion von M](#)

Many have used the term 'tragic' to refer to African American religious and cultural experience. After a studied meditation on and articulation of the 'tragic vision,' Johnson argues that African American Christian Consciousness is an expression of the tragic and a tragic expression of the Christian Faith.

He engages literary criticism and argues convincingly for a distinction between tragedy as a literary genre and the tragic vision it articulates. Indeed, the tragic vision is prior

to tragedy. The tragic is not the encounter with meaninglessness per se but the always already aesthetic representation of the encounter, which preserves its terrible truth in a transfigured vision of reality (6).
